DeVry Career Services

Career Services professionals across the DeVry system work diligently to help graduates attain positions in their career fields. Although DeVry cannot guarantee employment, the staff is committed to assisting students, graduates and alumni in identifying employment opportunities and following through with effective strategies for obtaining their desired career positions.

Effective Support Services

DeVry's Career Services Department is geared toward the needs of our students and their prospective employers. We support our students' career efforts with the following:

Employer Database

DeVry's Career Services Department maintains an employer database that contains information on national and local companies.

National Advertising

An aggressive advertising campaign acquaints employers across the country with the broad spectrum of DeVry graduates' skills and knowledge.

Career Fairs

Career fairs held periodically at our campuses enable our students to meet and talk with major recruiters of DeVry graduates.

These and other services help support one of the strongest career services efforts in education.

¹ All programs culminate in a bachelor's degree.

² The Government of Alberta has granted DeVry Institute of Technology approval to award the following baccalaureate degrees: Bachelor of Business Administration, Bachelor of Science in Computer Information Systems and Bachelor of Science in Electronics Engineering Technology.

³ Prior to January 2010, this program was called **Business Operations**.

⁴ Curricula offered at DeVry Calgary fall under the accreditation of DeVry University (Arizona) as an off-site instructional location.

⁵ Includes base salary and any additional taxable compensation. Graduates who are employed in education-related positions prior to graduation generally earn more than graduates who accept new employment after graduation.

⁶ Excludes graduates continuing their education, foreign graduates legally ineligible to work in the United States/Canada and those ineligible for career assistance because of extreme circumstances. Contact the Career Services department for details.

⁷ Excludes graduates who actively pursued employment for less than 180 days and did not become employed.

NOTE: Information presented is based on graduate-provided data.
